

To
The Principal
WARIS International School
Bagru

Subj: Consent for consultation.

Dear sir

I,(name of Father/Mother) father/mother of
..... (name of student) who is studying in class X/IX in your
school, extend my consent for his/her visiting school for counselling.

I will send my child to school by my own conveyance and risk and never blame the school or school management for any adverse effect related to Covid-19. I concern about education and the future of my child, so I take risk to send my child to school as per the time and days for counselling scheduled for students by the school.

Your sincerely
